

## TRUSTEES' MEETING

### RED CROSS SALVAGE DEPARTMENT ASKS FOR DISCARDED MATERIAL

The regular meeting of the Board of Trustees of the City of Glendale was held in the City Hall Thursday evening, April 25. There were present G. B. Woodberry, President of the Board, and Trustees C. H. Henry, R. M. Jackson, C. H. Muhleman and Hartley Shaw. There were also present J. C. Sherer, City Clerk, T. W. Watson, City Manager, H. B. Lynch, Manager Public Service Department, City Attorney W. E. Evans, City Engineer Edw. M. Lynch, G. H. Herald, City Marshal, and A. H. Lankford, Fire Marshal.

The minutes of the regular meeting of April 18th were read and correction ordered to be made on page 389 in reference to the number of names on the petition, the minutes to state that Mr. Spaulding testified that he had secured some fifty or sixty names in addition to those on the petition when left in his possession.

The minutes of the adjourned session of April 22nd were read and approved.

It was ordered that a correction be made in the minutes of the meeting of April 18th, page 387, showing the vote to be as follows: voting for Trustee Henry, Jackson, Muhleman and Shaw; voting for Trustee Muhleman for chairman—Trustee Woodberry. With these corrections, the minutes were approved.

Mr. McClellan appeared before the Board complaining of the condition of a vacant lot adjoining his property at Third and Louise streets; also asking that he be permitted to use an air gun for the shooting of birds which were working him an injury. On motion of Trustee Muhleman, the matter of cleaning the vacant lot was referred to the City Attorney, and that of the air gun to the City Manager.

An application was presented from M. Glora for permission to sell milk, which, having the approval of the Milk Inspector, was, on motion of Trustee Henry, granted.

A communication was read from the Salvage Department of the American Red Cross Headquarters, San Francisco, stating the object of the organization and requesting that the City adopt a resolution similar to one, a copy of which was enclosed, recently adopted by the Supervisors of San Francisco, by which it was ordered that all materials which were no longer useful in the several departments of the City, be turned over to the local Red Cross to be sold for the benefit of that organization. On motion of Trustee Shaw, the communication was referred to the City (Continued on Page 4)

## PEACE IN MIDST OF WAR

### E. O. BROWN WRITES OF RURAL QUIETUDE BACK OF THE BATTLE FRONT

The following interesting letter from E. O. Brown has been received by his parents, Mr. and Mrs. W. A. Brown of 913 San Rafael street. The big battle now in progress has probably furnished plenty of occupation for his hospital unit.

Dear Mother and the Rest at Home: Just a few lines to let you know we have at last arrived at our present location. It is surely a beautiful place—the natives say the most beautiful in the country. Sorry I can not say where, but it is not allowed. I mailed a letter to you before leaving the boat so if it was not turned back you read it some two weeks ago. I have not had word from you for over a month—so expect a bunch in the next mail. I do not know how often it comes in or goes out.

I have taken a walk or two, and the more I see of the little farms the harder it is to realize that there is a world war on. Everything seems so peaceful. They miss the young men though. Only old men or boys are here. Even the traffic has stopped. There are fine roads but nobody uses them it seems.

I have said about all I can for one time except that I am well and in good spirits and hope our stay will not have to be any longer than it has been at other places since joining the service. The next move I hope will be home.

Good-bye.

E. O. BROWN.

U. S. Navy, Base Hospital Unit No. 2, c/o Postmaster, New York.

The previous letter referred to above was written from the St. Paul, a liner in the naval service, which sunk at its wharf Thursday after having been repaired.

## OUT OF DEBT

### BILLS OF RED CROSS CHAPTER ALL PAID AND ENCOURAGING PROSPECTS FOR DRIVE

In its last issue the Pacific Red Cross, published twice a month by the Pacific Division at San Francisco, referred to the Glendale Chapter as being one of the most efficient on this coast.

In this connection it should be announced that the Chapter is now out of debt. On account of the shortage of certain kinds of supplies it has been obliged to place orders ahead for goods to be delivered three months hence, but all outstanding accounts have been met. The Chapter has plenty of efficient workers and if the organization receives the financial support it should have from Glendale, supplies will be bought to keep all these workers busy and there will be no occasion for any further indebtedness. If the cash doesn't come in the supplies of gauze and yarn can not be purchased and the sorely needed products which the Chapter has been turning out will have to stop. But there is little likelihood of such a state of affairs coming to pass. The giving to the Liberty Loan seems to have stimulated patriotism all along the line, and when the Red Cross Drive begins, as it will soon, there is every reason to expect that it will meet with a big response. So says Vice-Chairman Lawshe.

### WOMEN AND THE WAR

Mr. and Mrs. George Canny, of Pittsburgh, Pa., were recent guests of Mr. and Mrs. C. G. Yarbrough. Mr. Canny is manager of the big Westinghouse Electric Company whose plant covers many acres in Pittsburgh, with varied ramifications, for it makes munitions as well as electric supplies and accessories. Mr. Yarbrough is manager of the Los Angeles branch of the Westinghouse and he has so well developed its business that Mr. Canny was sent to the coast to arrange for trebling the establishment here. While here Mr. and Mrs. Canny had many interesting tales to tell of the effect which war has had on women's work. In Pittsburgh they say it is especially noticeable because it is a city of factories, from which thousands of men have been absorbed by the American Army. Women have taken their places by the hundreds and are doing all kinds of work and making good. Nor is the industry always confined to poor women. They cited the case of a wealthy woman whose husband enlisted and when she plaintively asked what she could do to help he challenged her with the suggestion that she put on overalls and go to the shop to take the place of some man. She unexpectedly took him up and went to the shop for three days, then spent three days in bed, rallied and went again, and now is putting in a full, regular day of efficient work every day in the week. Women are on the street cars, in the elevators, and many places in Pittsburgh where men were before.

### ENTERPRISE IN SAVING

Prof. Harry Howe is certainly thorough in whatever he undertakes and the war savings societies which he has been instrumental in creating are a shining example. Not only were schools and grades rounded up, but the separate classes were converted into saving units. It is even said that where he found two chums he persuaded them by his irresistible eloquence to become a Damon and Pythias society for the consumption of Thrift Stamps. Anyway, a healthy spirit of rivalry has been developed among these organizations which desire credits as the thirsting hart pants for water. Many and creditable are the schemes they evolve for the conversion of silver quarters into Thrift Stamps, and so it is not surprising that Thursday the U. S. N. of G. U. H. S. managed to persuade the cafeteria chefs to let its members furnish and sell part of the lunch there served. As a result the U. S. N. has \$10 to be invested in Thrift Stamps which it doesn't know what to do with. Maybe it will give them to the school, maybe bestow them on the Red Cross. Who knows?

### SPECIAL INDUCTION

Gerald A. Vincent Delgado of 906 Lomita avenue, leaves today (Friday) at 5 p. m. for Fort MacDowell, Angel Island, where he will be enrolled in the engineering service. From there he is to be transferred to Fort Meyer, Virginia. He is an expert machinist and is going where the services of such men will be appreciated. He is a member of the Elks Club and has a large circle of friends in this city who wish him good luck in his work for Uncle Sam.

## GERMANS TAKE MT. KEMMEL

### ENEMY SUCCEEDS IN SEPARATING BRITISH AND FRENCH FLANKS, SURROUNDING THE FRENCH

(By William Philip Simms, United Press Staff Correspondent)  
(Special Service to Glendale Evening News)

WITH THE BRITISH ARMIES IN FRANCE, April 26.—French troops are entirely surrounded today on Mt. Kemmel. They are still fighting savagely and turning the green flowery fields into a sizzling hell. The Germans paid dearly for their gains.

After eight hours of fighting, German troops finally wedged their way between the British and French flanks, crossed the Kemmel-Ypres road where terrific allied fire held them for two hours.

Then proceeding southward they poured down the valley to the west of Kemmel hill, surrounding the French, who are still battling furiously. Although the Germans have reached the crest of the hill a remnant of the French garrison is still there.

The German line apparently runs now west of Kemmel, but the ultimate outcome is uncertain.

Similar fighting is surging about Villers-Bretonneux where the British are fighting like lions and where they retook the town atop the ridge in the same fashion as the Germans took Kemmel.

## WAR REVIEW

### INTEREST CENTERS AROUND MT. KEMMEL ON FLANDERS FRONT, WHERE GERMANS MAKE PROGRESS

(Special Service to Glendale Evening News)

The battle in Flanders has again taken the ascendancy. Severe infantry fighting and artillering are progressing on practically the entire northern front, Field Marshal Haig's report today indicated, while operations on the British front in Picardy are limited to local attacks and cannonading.

On the northern edge of the Flanders front the Germans succeeded in obtaining a foothold on Mt. Kemmel after desperate fighting on a ten-mile front all day between Bailleul and Hollebeke. Mt. Kemmel is about four miles east of Bailleul and seven miles southeast of Ypres.

If the enemy completes the establishment of their position on this height the British must defend Ypres from the south on a low, flat terrain.

General Haig is conducting successful minor operations on the extreme northern tip of the battle front.

On the southwest section on the Flanders battlefield, the Germans heavily shelled the British on a ten-mile front between Givenchy and the Lys.

## AIRMEN BOMB ZEEBRUGGE MOLE

### BRITISH AVIATORS ATTACK SUBMARINE BASE WHILE KAISER IS ON TOUR OF INSPECTION

(Special Service to Glendale Evening News)

Copenhagen, April 26.—British Airmen bombed the Zeebrugge mole today while the Kaiser was inspecting the damage done in the recent British naval raid. The Kaiser is reported to have remained standing on the mole throughout the bombardment.

## TO DECORATE AMERICAN REGIMENT

### FRENCH GENERAL WILL BESTOW WAR CROSS ON SOLDIERS WHO DEFEATED PICKED GERMAN TROOPS

(Special Service to Glendale Evening News)

WITH THE AMERICAN ARMY IN FRANCE, April 26.—A French general will decorate with the Croix de Guerre the colors of an American regiment which defeated a five-day attack of German picked troops northwest of Toul two weeks ago. Individual members of the regiment will also be decorated. This is the first American regiment to receive the French war cross.

## LOAN PASSES TWO BILLION

### NATION GATHERS ITS STRENGTH TODAY FOR THE CLOSING LAP OF THE RACE FOR BIG GOAL

(Special Service to Glendale Evening News)

WASHINGTON, April 26.—The third Liberty Loan, rounding into the home stretch, swept past the two-billion mark. Treasury officials early today reported that the nation is gathering its energy for the closing 8 days of the campaign. They are confident the loan will be a success.

### U. S. AIRMEN MAKE GOOD RECORD

(Special Service to Glendale Evening News)

WASHINGTON, April 26.—American aviators in France have downed 339 enemy planes from the time the United States entered the war up until March 8 of this year.

### ALABAMA MAN HEADS PRESS ASSOCIATION

(Special Service to Glendale Evening News)

NEW YORK, April 26.—Frank P. Glass, of the Birmingham, Alabama, News, was elected president of the American Newspaper Publishers' association here today.

## THEY GO GLADLY

### TWENTY-FOUR SELECTS FROM THIS DISTRICT ARE ENTRAINED

Twenty-four of the men who were to go forward to Camp Lewis this (Friday) morning, from this district, were mobilized at the headquarters of the Exemption Board on Broadway Thursday afternoon, and mobilization also took place of the eight men who will be sent to the same camp May first. All of the men appeared eager to go, and as there were more men than the quota called for, there was some rivalry as to who should have the first chance. Five of the men who are no longer in this district, will be entrained from their present places of residence.

The Glendale Red Cross Chapter was on hand with comfort bags for all the men mobilized here. They were given into the custody of Joseph A. Fangman, who was made captain of the draft, and he and Chairman Lanterman will see that every man who does not already possess one of these kits, receives one. The Exemption Board appreciates the generosity of the Chapter in thus bestowing the kits without discriminating in favor of Glendale men, especially as some of the selects from outlying settlements have greater need of these comforts than local men. A few changes were made in the personnel of the quota, Joseph Olivas and Rafael Rivera being added to the first draft. The men listed for entrainment this morning were:

Carl D. Engle, 304 W. Fifth St., Glendale.

William E. Case, formerly of 1562 W. Colorado St., now of Long Beach. Elwood John Russell of Los Angeles.

Joseph A. Fangman, 1511 Kenneth Road, Glendale.

Peter Shiddotti, formerly of Tropico District, now of San Pedro.

Ray Todd, 1657 W. Broadway, Glendale.

George E. Todd, 1657 W. Broadway, Glendale.

Joseph Olivas, 523 Verdugo Road, Glendale.

Rafael Rivera, San Fernando, Cal. John Niete, Calabasas.

Luther Osgood Eldridge, Van Nuys.

Sidney H. Ellis, La Canada.

Hyatt Duane Brooke, 1940 Estrella St., Los Angeles.

Frederick Charles Reed, Lankershim.

Lee Ellis Armstrong, San Fernando.

James Stewart Brown, Eagle Rock.

Harper Beach Henry, Burbank.

Benjamin Acosta, R. F. D. 5, Los Angeles.

Joel Justin Hatfield, Eagle Rock.

John Earl Fischer, Universal City.

Louis G. Garcia, San Fernando.

Frederick C. Reed, Lankershim.

Howard L. Koosley, Casa Verdugo.

David A. Jansen, Newhall.

Amos H. Parker, Los Angeles.

The following will entrain from present places of residence:

Calvin Ray Stees, Freeport, Ill.

Hidie Fountain Franklin, now in Montana.

Sidney Lee Manson, Fitzgerald, Ga.

Anton Williams, 242 Fernando Ct., now in Arizona.

### May 1st Draft

Men mobilized for entrainment May 1st were:

Guy E. Stellar, 139 Belmont St., Glendale.

Milburn John Edwards, 617 East Cypress St., Tropico District.

Charles William Livingston, formerly 1421 Pioneer Drive, now 1307 West 45th street, Los Angeles.

Henry Vignau, Chatsworth.

Ralph S. Bourne, Eagle Rock.

Ray Woodberry Sanborn, Los Angeles.

Edward Charles Maxwell, Los Angeles.

Dan Huffman, Universal City.

### CHAMPIONSHIP PROSPECTS

The baseball game between the Union High team and the nine of Monrovia High, which was played at Monrovia Wednesday, was a big and very hotly contested game, as shown by the score. The home team was defeated, but went down with honors, the score standing 4 to 3. This reverse has by no means lost our boys their chance to win the league championship. That will be decided in the game to be played May 10th on the Glendale field with the team of Alhambra High, which has been pursuing a conquering career which corresponds closely with that of Glendale's team. May Fortune smile upon our champions of the bat and ball and bring another banner to the school!

WEATHER FORECAST—Fair tonight and Saturday. Westerly winds.

## STRANGE ACCIDENT

### WILLIAM SNELL HIT BY SHOT WHICH REBOUNDS FROM TELEPHONE WIRE

William Snell, fifteen years old, son of Mrs. Mary M. Snell of 116 East Eulalia street, is under the care of physicians with a bullet in his right lung at the home of F. C. Richardson, 124 North Central avenue (Tropico District), as the result of a singular accident.

William was visiting his friend Neville Richardson last Tuesday afternoon and with the permission of Mrs. Richardson the boys had been shooting linnets which had been bothering the Richardson garden. All of their shot was small except one large bullet which Neville used. It struck the telephone wire above him, rebounded and entered William's right shoulder, penetrating to the tissue of the lung. The physician in charge decided it would be better not to remove the bullet. William is pronounced much improved this morning and his friends are greatly encouraged. They hope he will be well enough to be removed to his mother's home Saturday or Sunday, but meantime he is receiving every care and attention at the Richardson home.

### THE LIBERTY LOAN IN GLENDALE

The Liberty Loan Committee at headquarters is beginning to wonder if it spoke too soon about the patriotic response of Glendale. Subscriptions to the bonds are lagging and it begins to look as though the goal set would not be reached. The last re-canvass is being made by telephone and personal solicitation of the people who are known to be able to subscribe, but who have not lived up to their obligations. As soon as this last drive is completed the committee will publish a full report. When the splendid work of our troops at the front is considered and their bravery in meeting a seasoned foe, it is a niggardly soul who, having the means, refuses to do the only thing left to the stay-at-homes, viz., to furnish his quota of the money needed to finance the war and the hospitals where the wounded are cared for. Ships to transport men, and to carry munitions of war and supplies for the hospitals, are the crying need of the hour. Without them American resources will be unavailing. Ships call for money and more money. This is the reason that Mr. Vesper, Mr. Lawshe, and every worker in the Liberty Loan drive is giving every man, woman and child an opportunity to help now when it will do the most good.

### VISITED GLENDALE

Friends of Sergeant L. A. Lewis caught a glimpse of him Thursday as he had a few hours on his way back to Ft. MacArthur. He states that when he got to San Francisco he found that the course he had been planning to take at the school in connection with the Ordnance Department would fit him for a clerical position in Washington which he did not desire, as he wants to be a soldier. He therefore came back and is returning to his regular work at Camp MacArthur in the Coast Artillery.

## HONORS NEW MEMBERS

### DELIGHTFUL RECEPTION GIVEN AT GLENDALE PRESBYTERIAN CHURCH

The altogether delightful but quite informal reception to new members which took place at the Glendale Presbyterian church Thursday evening was enjoyed by one hundred or more guests.

Mrs. M. P. Harrison had general charge of the affair and was assisted by committee chairmen as follows: Professor Harry Howe, entertainment; Mrs. Ethel Green, refreshment; R. P. Isitt, program; Mrs. Z. L. Hesse, reception.

The charming program included vocal numbers by Mrs. F. S. Neighbors, readings which hit the popular fancy by Cora Louise Butterfield and by Mr. Reynolds, who were enthusiastically encored, and fine piano numbers by Thomas McClellan.

The balance of the evening was given up to the games supervised by Professor Howe, who divided the company into two sections, one of which entertained with charades, the other with highly successful stunts.

Light refreshments were served and everybody went home at a reasonable hour after an exceedingly pleasant evening.

### HAVE YOU DONE YOUR SHARE?

Today is Liberty Day. A day set aside for a final drive for Liberty Bonds. A day to be celebrated by those who have put forth their greatest effort and given the largest possible financial support to our government.

Glendale as a whole is doing itself proud. We have very nearly doubled our quota. Most of the people have responded nobly—but there are some few people of our town who by just doing their proper share could add another \$100,000 to this total. There are probably people in Glendale who can well afford to invest \$10,000 apiece in government securities. This would give us a record to crow about. As long as there is a single individual in this town who is well able to put a fair amount of his money into bonds and has not done so we cannot feel that we have completely handled this job.

The government has made it very easy for us. They've simply asked us to lend our money at a fair rate of interest. The men and women who can and have not answered this call will have an opportunity to do so in the next few days.

The "Last Resort Committee" are now on the job. The following is a copy of a letter they will use:

Glendale, Cal.,  
April 23, 1918.

Mr. (or Mrs.) \_\_\_\_\_

The time has come every person must help through the purchase of Liberty Bonds and Thrift Stamps, as well as assisting the Red Cross, Y. M. C. A., Knights of Columbus and other patriotic organizations. Any one of them is not enough. We must help all of these activities.

The Glendale "Last Resort Committee" has been handed your card from the former Liberty Bond canvassers. It does not look very patriotic to us. We will call upon you in the very near future, perhaps today or tomorrow. Please weigh this matter carefully, and be prepared to help in these necessary war activities.

Every man and woman in Glendale and vicinity has been listed, and this committee is duty bound to get a true report from you for the government. This is the time for sacrifice and self denial; your country needs your help. The undersigned will do their best to help you help.

Yours very respectfully,

ED. M. LYNCH, Chairman  
GEO. T. PAINE  
O. T. WALKER  
EZRA F. PARKER  
NORTON WELLS

Last Resort Committee Liberty Loan.

The above committee is composed of some of the most honorable and conscientious men of our town. They have a reputation for getting results. They have been assigned a most important and possibly disagreeable work. Help them all you can.

It is sincerely hoped that it will not be necessary to resort to more drastic measures. The posting of names is being employed in some places. This may or may not be required in Glendale, but we do know, as has been said before, that Glendale will be an unhealthy community for the man or woman of proven unpatriotic spirit.

### ALIEN PROPERTY CUSTODIAN TAKES OVER MAGNETO CONCERN

A. Mitchell Palmer, Alien Property Custodian, announces that he has taken over the Bosch Magneto Co., of Plainfield, N. J., and Springfield, Mass. This company manufactures magnetos for aeroplanes, automobiles, trucks, and other Army and Navy equipment. The capital stock of the company is \$25,000; the estimated value of the property about \$5,000,000.

Prior to the entrance of the United States into the war, this company had refused to take orders from the allies and after the United States went in it was loath to render any service to the Government in its activities against the fatherland. The directors to be appointed by the Alien Property Custodian will immediately take charge of the works. They will be operated in full by the United States and the entire product be placed at the disposal of the munitions committees. As this is one of the best equipped plants in the country, its output will be of inestimable value to both the Army and Navy.

After the examination conducted by Francis P. Garvan, director of the Bureau of Investigation, an examination which is today tracing the ownership of many properties in various parts of the country, all the capital stock of the Bosch Magneto has been proven to be owned by Robert Bosch and other residents of Germany. When first reported by Carl L. Schurz, of New York City, as president, in December, 1917, he claimed that all but a small proportion was owned by residents of this country.

At the time of the declaration of war, Otto Heins, who was then president, and many of the German heads of departments walked out of the mill with the purpose that this concern should not be used in making war upon Germany.

The present directors are Carl Schurz and Gustav Jahn. These directors will be replaced by directors to be designated by the Alien Property Custodian.

The tools and facilities required for keeping harness in repair are comparatively simple and inexpensive. A considerable portion of the repair work on harness can be performed by the aid of tools required for other purposes, but there are a few special devices that are desirable.

In considering the breed of chickens best suited for the home flock, pay little or no attention to those which are not of local importance, that is, not being raised successfully in the community, except on the advice of experts.

## Personals

Mrs. Will Dunham of Blanche avenue, who has been confined to her bed by illness, is now able to be up and around the house.

Mrs. Esther M. Tower of Coalinga, California, is the guest of Mrs. R. C. Newton, of 308 Belmont street for a few days. She has a large circle of Glendale friends who are glad to have an opportunity to renew acquaintance with her.

Carney's store at 1106 West Broadway has added a new line to their already large stock and that is boys' wash suits in all styles and colors. When you are on Broadway take a glance at their east window and see these beautiful garments.

Forty or more Good Templars met at the home of Mrs. W. G. Watson on Cedar street Thursday evening and enjoyed a social evening devoted to games and music. Refreshments were served and all present had an exceedingly good time.

The Ladies' Aid Society of the West Glendale Methodist Church will hold an entertainment Tuesday night at 8 o'clock at the church. Dr. H. E. Murkett of Hollywood will entertain with impersonations. Numerous musical selections will be rendered. Refreshments.

The Wednesday afternoon and evening French classes at Red Cross headquarters, conducted by Mrs. Nanno Woods, are increasing and now number ten pupils. She is employing the conversational method and the little tots are already beginning to sing French songs. She donates the receipts to the Chapter.

Mr. and Mrs. C. E. Norton of 122 South Maryland entertained as dinner guests on Sunday, Mr. and Mrs. J. B. Dickson of New York City. Mr. Dickson is agent for Robert Mantell, the actor. Mrs. Norton's lavish use of beautiful roses in her decorations was a great delight to her guests, who also felt it a privilege to experience the earthquake shock, which occurred while the dinner was in progress.

Joseph A. Fangman of 1511 Kenneth Road was made captain of the draft entrained this morning for Camp Lewis. He has been anxious to go for some time in order to join his brother, First Sergeant Frank Fangman, who was sent to the camp a good many months ago and who has been advancing steadily ever since. By the irony of fate his last promotion is sending him east for training in a motor school, so he will not be at camp to welcome Joseph.

### HOME NURSING CLASS

Mrs. H. D. Thaxter, Chairman of the Home Nursing Department of the Glendale Red Cross Chapter, has received several applications for a new class to be started May 1st and taught as in the past by Mrs. Eva Tuft, Chairman of Surgical Dressings. It is desirable to have a full membership when the class starts and all persons interested who think they may wish to take up this study, are requested to register with Mrs. Blackburn, Cashier, at Red Cross headquarters. The fee of \$5 covers all incidentals of the course.

### RICHER BY \$50

The committee headed by Mrs. Stephen Packer, which had charge of arrangements for the card parties given at the home of Mr. and Mrs. John Robert White on the afternoon and evening of April 12th, this (Friday) morning turned over to the cashier of the Glendale Red Cross Chapter for the benefit of the Surgical Dressings Department, \$50 as the net proceeds of those two delightful functions.

### MAY DELETE TEXT BOOKS

(By United Press)  
SACRAMENTO, Cal., April 26.—School boards have the right to delete from state school textbooks any matter which is pro-German in teaching and sympathy, whether song or story, is the opinion of Edward Hyatt, state superintendent of public instruction, given to the school board of Long Beach.

"I can see no impropriety in tearing a school book into shreds, provided its contents do not agree in spirit and letter with American ideals," Hyatt declared.

By securing a coupon for 50 cents from Mrs. R. C. Newton, exclusive agent, at branch office, 310 Brand boulevard, or Phone 1064-W, you secure half price on all work ordered at Morton's Studio, 607 North Brand. Work is high class and compares with anything in Los Angeles. 20013

Before the United States entered the war a total of \$1,500,000 had been appropriated for air service. Congress made \$691,000,000 available for aircraft production in the first year of war.

There is no cleaner cause.  
BUY A LIBERTY BOND.

## THE SUPREME SACRIFICE

We hear much from pulpit and press on the necessity of making a supreme sacrifice for our country's good. What is a supreme sacrifice and who are making it?

Our boys, in the bloom and joyous flush of youth, with all life's bright hopes before them, leave mother, sweetheart and wife for the shell-torn battle front, there to endure the hardships of modern warfare and offer up their lives if need be. They and they alone are making the supreme sacrifice.

The next greatest test and sacrifice for those of us who are not called to the front is to give up every advantage and privilege that is not in harmony with the common good. The man who is not willing to submit to any change in our social and economic life that will promote the common good and strengthen the Nation for this mighty conflict is not a true patriot to his country or his fellowman.

The measures that have been taken by our president and the administration to increase the Nation's strength in this hour of need have been along the lines of co-operating for the common good.

This Nation will not be alone in learning the lesson that the good of one is the concern of all, but at what fearful cost the lesson is being learned.

R. GILHOUSEN.

### MISSIONARY MEETING

An interesting and well-attended session of the Woman's Missionary Society of the Tropic Presbyterian Church was held at the home of Mrs. F. N. Lang, at 230 South Central avenue, Tropic district. Devotional exercises were conducted by Rev. Tucker, a newcomer in the city, from Van Buren, Arkansas.

The speaker of the afternoon was Miss Anna McKee, for eight years a missionary in Chosen (formerly Korea) and now enjoying a furlough in California. She told of the customs of the Koreans and of the fact that, unlike most primitive peoples, they have no religion of their own, which makes the country a fertile field for missionaries. The older men and women, she said, are very ignorant but very eager to learn "the Jesus story." They come from great distances to the mission and endure great hardships to get there. The mission where she taught was fifteen miles from a railroad and when first she entered upon her work the journey was made in sedan chairs. Now that the country is under the control of the Japanese, jinrikshas are used instead and are, she said, much swifter. Occasionally a Ford auto is seen there. Material conditions are considerably improved, she reported, since Japan took over the government.

### TEST CASE

The suit brought by Thomas P. McCrea under the auspices of the Public School Protective League to require the Los Angeles Board of Education to admit his son, John McCrea, to Hollywood High School without vaccination, was closed last week by the issuance of a writ of mandate by Judge Wellborn, directing that the Board of Education immediately admit the boy. While the order did not expressly name any other student, this was a test case brought on behalf of all excluded students, and they will likewise be admitted.

## ONE TWO THREE

**THE FIRST LADY** went to Los Angeles to buy some tea. She could not drink it; she is now drinking Booth's Better Tea.

**THE SECOND LADY** went to Los Angeles to buy some 25-cent coffee with a 40-cent flavor. She can't drink it; she is now drinking Booth's Better Coffee.

**THE THIRD LADY** bought from a wagon from Los Angeles one pound of baking powder for 50 cents. She is now using Booth's Better Baking Powder at 25 cents per pound, which she likes better.

**MORAL:** Save your car fare and buy from Booth at home.

## RED CROSS PIGEON SALE

Everybody prepare to have pigeon potpie for Sunday dinner, that is, everyone who is lucky enough to get to the Red Cross market in time to get a pigeon.

J. W. Elliott has donated 200 birds to the Red Cross Shop and the older birds are quite as good as the young ones if cooked slowly. Special help to dress and pick them has been arranged for and will cost the purchaser not more than five cents per bird.

We are glad to take this opportunity to express our thanks to Mr. Elliott for the donation of the birds, which are pure-bred Belgian Carneau and the varieties called yellows and splashes. We hope to sell the younger ones for 50c and 75c a pair, as Mr. Elliott paid from \$1 to \$1.50 for their parents.

### DANCE AT ELKS CLUB HOUSE

A dance which will be a big social event will take place this (Friday) evening in the beautiful Elks Club house, which will be given by the women of the Holy Family Catholic Church, as a benefit for the church building fund. The committee which will have the affair in charge includes the following ladies: Mesdames Peter Ferry, Frank Clark, Charles Rudell, Jessie Chappius, Charles Woods, and Miss Susan Wendell.

### AN APPRECIATION

The benefit for the Red Cross given by the Lindsay dancers on Monday evening netted a substantial sum, something over one hundred dollars, which will be turned over by Miss Lindsay to Mrs. Blackburn for the Red Cross at the Saturday afternoon session of the Lindsay classes at K. of P. Hall. The warm thanks of the Glendale Chapter are due Mrs. Lindsay, who so ably managed the affair, and Miss Lindsay, who prepared the delightful performance, and they in turn desire to thank the pupils of the intermediate and grammar schools and their parents, as well as all who contributed to the success of the benefit, particularly Mrs. George Blech, who had charge of the tickets, the ushers, Ruth Sprowls, Dorothy Wills, Lois Webb, Eva Green and Lois Redding, as well as J. E. Foy, who added much to the enjoyment of the audience by his effective handling of the lights.

### CASTOR BEANS IN THE SAN FERNANDO

A delegation of army and other government officers was in San Fernando last week in the interest of growing castor beans for Uncle Sam.

It is necessary that thousands of acres of castor beans be grown this year to supply the oil for the airplanes that the government is making. There is a shortage of oil, or will be before the summer is over, and it is desired that every acre available be planted as soon as possible. The returns from raising castor beans are said to be good and they take but little cultivation or water. In addition they do not need to be replanted the second year.

In other words, you plant your beans once and get two crops. After the second year the plants must be cut down, it is said, as they grow too large to be handled easily.

E. H. Schwinger and D. B. Roberts, representing the Chamber of Commerce, took the party on a trip through that section, and several hundreds of acres were signed up promptly with more promised.

Through arrangements with the Government seed is furnished to growers to be paid for from the crop, and the government will assist the rancher in every way.

### NOTICE

Notice of the filing of the assessment for the Opening, Widening and Laying out of Sycamore Canyon Road as contemplated by Ordinances No. 295 and 296 of the City of Glendale, together with a diagram of the district to be assessed for said improvement.

Public Notice is hereby given that the City Manager and Ex-Officio Street Superintendent of said City has filed with Clerk of the Board of Trustees of said City of Glendale the assessment for the Opening, Widening and Laying Out of Sycamore Canyon Road as contemplated by Ordinances Nos. 295 and 296, together with the diagram of the district to be assessed therefor.

The date of the first publication of this notice is April 22, 1918. All parties interested are hereby required to file in writing their objections to the confirmation of said assessment by said Board of Trustees, with the said Clerk of the Board within thirty (30) days after the said date of the first publication of this notice, to wit: On or before May 22, 1918.

Persons signing objections must give Post Office addresses.

J. C. SHERER,  
City Clerk and Ex-Officio Clerk of the Board of Trustees of the City of Glendale. 196110

### CITY TRUSTEES.

(Continued from Page 1)

Attorney with instructions to draft a resolution complying with the request.

A communication was presented from W. D. Bullock, asking that he be exempted from the payment of dog tax. On motion of Trustee Henry, the request was denied.

On motion of Trustee Muhleman, it was ordered that bids for city printing be opened at this time, read and publicly declared.

The following bids were opened, read and on motion of Trustee Shaw, it was ordered that the contract for city printing for year beginning April 1, 1918, be awarded to A. T. Cowan, Publisher of the Glendale Evening News and the Sentinel-Progress.

On motion, "An Ordinance amending Ordinance No. 122 of the City of Glendale, increasing the treasurer's bond to \$25,000.00, was taken up for first reading.

On motion, this ordinance was declared read for the first time and was taken up for the second reading.

On motion, this ordinance was declared read for the second time and was laid over till the next regular meeting for the third and final reading.

A communication was read from the City Clerk, stating that he had appointed J. W. Stauffacher, Chief Deputy Assessor, and requesting confirmation of the appointment. On motion of Trustee Muhleman, it was ordered that the appointment be confirmed.

On motion of Trustee Shaw, it was ordered that a committee be appointed to consider the matter of an ordinance fixing salaries for various employees, the committee to consist of members of the Board of Trustees, in connection with the City Manager and the City Attorney.

The Chairman appointed on this committee Trustees Muhleman and Shaw, the City Manager and the City Attorney.

The Chief of the Fire Department presented specifications for the pump to be installed on the Knox Fire ap-

paratus now in service in the Glendale Fire Department. On motion of Trustee Jackson, it was ordered that advertisement be made for supplying the articles set forth in the specifications.

The Manager of the Public Service Department reported that the law has been changed in regard to requirements of the Railroad Commission as applying to pole lines, and requested that the Chairman of the Board be authorized to make application to the Railroad Commission for an extension of time in which to make the changes required by that body. He reported that in connection with the City Attorney, he had had a conference with Mr. Edgerton of the Railroad Commission with reference to telephone rates, particularly the proposed charge of ten cents for each call between Los Angeles and Glendale. After discussing the matter at some length, the following resolution offered by Trustee Muhleman was adopted:

Resolved, that this Board hereby expresses its strong disapproval of the toll charge for telephone service between Los Angeles and Glendale, as fixed by the recent decision of the Railroad Commission, and declares its opinion that said charges are excessive, unreasonable and unjust, and were fixed by said Railroad Commission without adequate investigation or inquiry into the facts on which said charge was supposed to be based, and were fixed upon an application which purported to be only for application for permission to merge the two telephone systems in Glendale, and on notice which gave the City of Glendale and its citizens no notice of any intention to increase said toll charge and no opportunity to prepare to resist such raise, and this Board further hereby expresses its disapproval of such method of procedure.

The following resolution was offered by Trustee Shaw and adopted:

That the City Attorney and President be authorized to file a petition with Railroad Commission of California, asking that a new rate be fixed for telephone charges between Glendale and Los Angeles, and that

the rate recently fixed by such body be held in abeyance until the said Commission has heard and determined such rates under the petition hereby authorized.

The Manager of the Public Service Department reported that the former City of Tropic had an option on the Southern California Edison Company's lighting system, and the latter had expressed its willingness to transfer the same to the City of Glendale. On motion of Trustee Henry, the Manager of the Public Service Department was authorized to proceed to arrive at a valuation of the property of the Southern California Edison Company in the district formerly constituting the City of Tropic.

A representative of Peter L. Ferry addressed the Board, stating that it is the desire of Mr. Ferry to rent the city street roller for one month or longer, paying for the same at the rate of \$125.00 per month; also paying all freight charges and the cost of repairs, if any.

Trustee Henry made a motion, which was adopted, as follows:

That Peter Ferry be permitted to have the use of the street roller for the period of one month at the rental of \$125.00 per month. Said Ferry to furnish the City an agreement in writing to the effect that he will indemnify the City for any loss or damage occasioned by his use of the same; he to furnish his own fuel, driver, etc.

A letter was read from L. C. Brand offering to purchase the issue of \$55,500 of bonds for Municipal Improvement District No. 1 of the City of Glendale, and pay for said bonds at par value with accrued interest. The proposal made subject to the approval of the issue of said bonds by Mr. John C. Thompson of New York City. On motion of Trustee Shaw, it was ordered that the bid of Mr. L. C. Brand be accepted and the bonds for Municipal Improvement District No. 1, for the sum of \$55,500 be sold to him in accordance with the terms of his offer.

On motion of Trustee Muhleman, the City Clerk and the City Attorney

were authorized to have the bonds printed.

On motion of Trustee Shaw, the City Clerk was instructed to communicate with the Title Guarantee and Trust Company, asking that company to state in writing the price at which they will sell Tropic water system and appurtenances to the City of Glendale.

The City Attorney reported that in the case of Daisy Mason vs. the Trustees of the former City of Tropic, that it was advisable to secure the evidence of one or more physicians in the case, and on motion of Trustee Shaw, the City Attorney was authorized to secure Dr. R. E. Chase and another physician if required in this connection.

On motion of Trustee Shaw, it was ordered that consideration of an ordinance providing for an election in Municipal Improvement District No. 2 be deferred until the Manager of the Public Service Department is prepared to furnish a detailed statement as to the amount of the proposed items of expenditure.

The demands were reported back approved by the Finance Committee and, on motion of Trustee Henry, warrants were ordered to be issued in payment of the same.

Trustee Henry made a motion, which was seconded by Trustee Jackson, that the City Assessor be instructed not to raise the valuation of property on the assessment roll of this year over the figures of 1917. Trustee Shaw stated that although he considered the intention of the motion commendable, he questioned its propriety from a legal standpoint of taking this action, and moved that it be laid upon the table. This motion was seconded by Trustee Muhleman, and the roll call resulted as follows:

Ayes: Henry, Muhleman, Shaw, Woodberry.  
Noes: Jackson.

The motion was, therefore, tabled.

On motion of Trustee Shaw it was ordered that the city employees, as far as practicable, be given a half holiday on the afternoon of April 26, 1918, on account of its being Liberty Bond Day.

At 11:55 p. m. the Board adjourned.

### ANNOUNCING

The location in this city of George M. Anderson, expert violin maker and repairer.

Makes a specialty of regluing old violins if heavy in the wood, making the old instrument valuable for tone quality. Very reasonable. Glendale 278-W. Residence, 258 E. Fifth St. 19426\*

### NOTICE OF FORECLOSURE SALE

Sheriff's Sale No. B53545

Order of Sale and Decree of Foreclosure and Sale

W. A. Glascock, Plaintiff, vs. James B. Bouldin, et al., Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the County of Los Angeles, of the State of California, on the 13th day of April, A. D. 1918, in the above entitled action, wherein W. A. Glascock, the above named plaintiff, obtained a judgment and decree of foreclosure and sale against James B. Bouldin, et al., defendants, on the 22nd day of March, A. D. 1918, for the sum of Three hundred eighty-eight and 81/100 (\$388.81) Dollars gold coin of the United States, which said decree was, on the 1st day of April, A. D. 1918, recorded in Judgment Book 435 of said Court, at page 21, I am commanded to sell all that certain lot, piece or parcel of land situate, lying and being in the City of Glendale, County of Los Angeles, State of California, and bounded and described as follows: Lot fifty-seven (57) of tract number eight hundred thirty-nine (839) in the City of Glendale, County of Los Angeles, State of California, as per map recorded in Book 16, page 78 of Maps in the office of the County Recorder of said county.

Public Notice is hereby Given, That, on Tuesday, the 21st day of May, A. D. 1918, at 12 o'clock M. of that day in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment, with interests and costs, etc., to the highest and best bidder, for cash gold coin of the United States.

Dated this 25th day of April, 1918.

Glendale, California

### JAPANESE RAISE RATES

THE JAPANESE LABOR STATION announces that owing to the increasing cost of living they will advance their rates to 40 cents an hour; \$1.50 for half a day and \$2.75 for all day. These are the same rates that prevail in Los Angeles and Hollywood.
